Slow 90min+30sec C55: Two Knights: 4 d3, 4 d4 exd4 5 e5 and Max Lange Attack "Rapport wins Beograd Grand Prix and Qualifies for the Candidates A win with white in the second game of

the final gave Richard Rapport tournament victory at the second leg of the FIDE Grand Prix in Beograd. Rapport beat Dmitry Andreikin after rejecting a draw by triple repetition in a double-edged position. This victory, combined with his reaching the semifinals in the first leg of the series in Berlin, places him as a clear favourite to get a spot in the Candidates Tournament. Rapport's qualification to the Candidates cannot be fully ascribed to luck by any stretch of the imagination, though. The Hungarian star did not shy away from employing his usual creative playing style in the first two legs of the series, and has demonstrated that he is particularly well-versed in dealing with imbalanced, sharp positions. The 25-year-old was happy to have scored his greatest success to date in the city where he lives with his wife, Serbian WGM Jovana Rapport. The ever modest Rapport credited his wife for this exceptional result: "Usually for me trips are connected to events and results, so of course you have favourite places, but usually they connect to when you play well... so for me Beograd will actually not be influenced by this event, as funny as it is, even though this is probably the biggest success of my career to date. It will still be influenced by my love, my marriage, my life, really, so I'm just happy that this overall beautiful picture wasn't ruined by chess. She's my only support, actually. I have to thank her for everything, for putting up with me. I'm very difficult on normal days, but during tournaments I think it goes to 100 x the volume." Dmitry Andreikin who finished 2nd, as well as Anish Giri and Maxime Vachier Lagrave retain some chances to

qualify to the Candidates Tournament. However, after the second leg, Richard Rapport and Hikaru Nakamura are clear favourites. the semifinals in the first leg of the series in Berlin, places him as a clear favourite to get a spot in the Candidates Tournament. Rapport's qualification to the Candidates cannot be fully ascribed to luck by any stretch of the imagination, though. The Hungarian star did not shy away from employing his usual creative playing style in the first two legs of the series, and has demonstrated that he is particularly well-versed in dealing with imbalanced, sharp positions. The 25-year-old was happy to have scored his greatest success to date in the city where he lives with his wife, Serbian WGM Jovana Rapport. The ever modest Rapport credited his wife for this exceptional result: "Usually for me trips are connected to events and results, so of course you have favourite places, but usually they connect to when you play well... so for me Beograd will actually not be influenced by this event, as funny as it is, even though this is probably the biggest success of my career to date. It will still be influenced by my love, my marriage, my life, really, so I'm just happy that this overall beautiful picture wasn't ruined by chess. She's my only support, actually. I have to thank her for everything, for putting up with me. I'm very difficult on normal days, but during tournaments I think it goes to 100 x the volume." Dmitry Andreikin who finished 2nd, as well as Anish Giri and Maxime Vachier Lagrave retain some chances to qualify to the Candidates Tournament. However, after the second leg, Richard Rapport and Hikaru Nakamura are clear favourites. Now we will present you some of the most interesting games and moments from the Tournament according to selection of our Editorial

Board. *** Giri dominated his group at the Grand Prix Belgrade, winning two white Italian Games, the one against Tabatabaei being especially good. Buenas a todos! Estoy de vuelta por

aquí, en este caso os traigo el GCT Superbet de Rumanía. Un torneo clásico a 9 rondas con un ritmo de juego de 120 minutos con 30 segundos de incremento, con unos invitados de lujo y una bolsa de premios de \$350,000. (Introducir tabla con jugadores) La parte clásica del torneo estuvo dominada en casi todo momento por Fabi aunque los perseguidores estaban muy cerca, un tropiezo en la última ronda hizo que el torneo sedecidiese de la manera más emocionante posible ya que 4 jugadores (Caruana, Firouzja, Pragghandha y Gukesh) acabaron empatando en 1ª posición lo cual forzó un Tie-Break impresionante. Este Tiebreak consto de 3 partidas donde todos se enfrentaban entre si, Fabi logró imponerse en todas para renovar su título y convertirse en el ganador del GCT Superbet Romania por 2º año consecutivo asegurandose un premio de \$68,750 -----

----- LECCION ESTRATÉGICA DE FABIANO CARUANA Ndr: Esta partida sirve de magnífico ejemplo para ilustrar la fuerza de la pareja de alfiles, que aborda en este número el artículo de Diego Adla. ---

C50: Hungarian Defence and Giuoco Pianissimo

Die nachfolgende Partie wird durch den unterschiedlichen Werdegang der Damen bestimmt. Zunächst bringt Schwarz seine Dame zu früh heraus und erlaubt dem Weißen eine schnelle Entwicklung. Schließlich läßt sich die schwarze Dame auf b8 nieder und die Stellung erscheint halbwegs gesichert. Dann jedoch schwenkt die weiße Dame elegant zum verwaisten schwarzen Königsflügel und entfacht einen heftigen Angriff. Ich verwende Kommentare von Euwe, Petrosian und Kmoeh aus "Von Steinitz bis Fischer" von Max Euwe. 1.e4 e5 2.Nf3 Nc6 3.Bc4 Bc5 4.0-0 Nf6 5.d3 d6 6.a4 0-0 7.a5!? Recently 7.h3 got a lot of attention.
